FISCAL PARTNERSHIPS

\$830,000

"The East Moline Public Library is thankful for everything The Moline Foundation does. They not only provided our capital project grants, but supported our capital campaign. Without the wonderful staff and board of The Moline Foundation, we would not have been as successful in our campaign to build a new library for the citizens of East Moline. Thanks to their support, we are able to provide modern library services in a gorgeous new building."

Laura Long, Director

SCHOLARSHIPS

\$56,000

"Ghandi once said, 'The best way to find yourself is to lose yourself in the service of others'. My chosen field of study is nursing. I chose to be in this field because of the stability, reward, and the excitement. You learn how to time manage, how to balance things in life, how to be calm in stressful situations, and how to save lives. For my future patients, there might not be a tomorrow so today has to count."

COMMUNITY GRANTS \$567,000

JUNIOR ACHIEVEMENT INSPIRATION CENTER

Founded in 1956, Junior Achievement of the Heartland has grown to annually serve more than 50,000 students. "Junior Achievement of the Heartland has come a long way in our 66 years in the Quad Cities area" states President and CEO Dougal Nelson. In fact, Junior Achievement was one of the very first recipients of a grant from The Moline Foundation. As Mr. Nelson relayed, "at Junior Achievement, we believe in possible." The Moline Foundation is proud to continue our legacy of support by awarding \$60,000 to the new Inspiration Center.

BALLET QUAD CITIES NEW OPEN SPACE

Ballet Quad Cities, founded in 1996, employs 14 professional dancers and stands strong as one of only 100 professional ballet companies in the country. The new location in downtown Moline offers wide-open spaces and room to grow and expand programming to engage, inspire and transform the community. The Moline Foundation believed in Ballet Quad Cities's mission and granted \$50,000 to kick-off their Capitol Campaign. "The time to Build Ballet Quad Cities Better is now!" said founder Joedy Cook. "Thank you, Moline Foundation for this gift!"

NONPROFIT PARTNER FUNDS \$100,000

FRIENDSHIP MANOR

Friendship Manor is a faith-based, charitable Continuing Care Retirement Community located in Rock Island, Illinois. It was founded in 1979 by The International Order of The King's Daughters and Sons Illinois Branch.

The Friendship Manor Silver Cross Endowment Fund was established at The Moline

Foundation in 2016 with a goal of providing permanent annual operating support for residents who have financial need.

"The Manor is committed to ensuring our residents' quality care throughout their time here and never asks a resident to leave if they outlive their resources," said Jeff Condit, Development Director.

"Our donors believe in improving the quality of life of all area residents. By supporting an endowment, their generosity grows to support local non-profits not only today, but well into the future."
