## JOIN US AND CELEBRATE OUR SCHOLARS TUESDAY, MAY 21, 2024 - MOLINE PUBLIC LIBRARY 5:30 PM TO 6:30 PM

"Each year, we celebrate students who work hard to advance and achieve their academic goals. As a reward, they receive a scholarship to help further their academic or trade careers. These students' broad experience, academic excellence, and volunteerism are profound. They are professionals in every sense of the word. I am thankful to see them succeed and proud to share in a part of their futures." Krisan Steiger – Goodness Advocate / Scholarships

"The Moline Regional Community Foundation is honored to partner with the many generous donors and put *into action* their philanthropic wishes. Congratulations to the recipients and best wishes on your academic and career aspirations." Paul Plagenz President/CEO
